

STARRY NIGHT

Words and Music By: Tim Koziol
3/4=112bpm

VERSE 1:

On a starry night a saviour was born
Where shepherds and angels adored
In a manger lay a King in the night
That would now bring us our healing and light

VERSE 2:

In Bethlehem came kings from beyond
To witness the Lamb of God
See the prophets fulfilled and the promise arrive
Our freedom is here and our hope is alive

CHORUS:

Like a star through the night
Guide us again
The treasure of heaven behold
With His light so bright
Remind us again
